

QUICK START TO HUMANITARIAN MAPPING

Learn to Map, Be Prepared

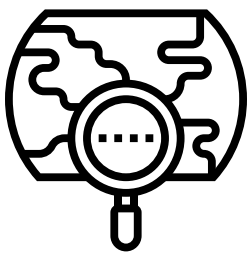

1 CREATE OSM ACCOUNT

Go to the OpenStreetMap website and register to create an account. (Link: www.openstreetmap.org)

2 CREATE TM ACCOUNT

Go to the HOT Tasking Manager website and sign-up with your OSM account. (Link: tasks.hotosm.org)

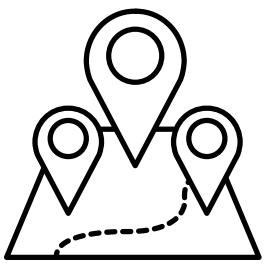

3 EXPLORE PROJECTS

On the HOT Tasking Manager website, go to Explore Tasks and select a project that is set to Beginner for Difficulty Level.

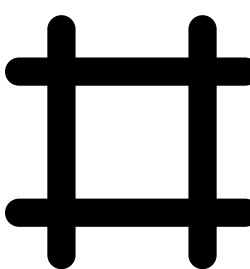

4 SELECT A TASK

On the project page, select Contribute. Then, read the instructions, select a white square, and click Map Selected Task.

5 MAP SELECTED TASK

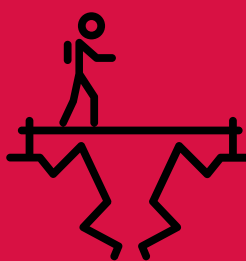

If completely new to OpenStreetMap, complete idEditor Walkthrough. Then, follow the instructions and map selected task.

6 SAVE WITH HASHTAG

Save your edits with the #qsgmapathon hashtag. If your organization has hashtags, include those as well.

FOLLOW-ON ACTIVITIES

7 COMPLETE A CHALLENGE

Request Virtual Mapathon Challenge: info@scoutswhomap.com. Then, complete the challenge on your own or with your team.

8 JOIN SCOUTS WHO MAP

Join the Scouts Who Map Online Collaboration Workspace. For access, email: info@scoutswhomap.com.
